Financial Department.

Sir,

I have the honor to state that Government in their -- order No.2143-5/F.F.45-10 13 dated 19th May 1913 sanctioned the acceptance under Charitable Endowment Rules at 4% of the Savings Bank Deposit of Rs.400/- offered by Dharmadarsi Mr. Rangaiyengar for the benefit of the Sri Gopalakrishna Devaru temple built by him at Krishnarajapet and directed that the amount should be -- transferred permanently to the head "Endowment for Charitable and other Purposes". But the transfer was not given effect to for reasons un-accountable at this distance of time and the fact -- having been brought to notice the Deputy Commissioner was ------ directed to do the needful in the matter. Accordingly the amount was withdrawn from Savings Bank Deposit and credited to "Charitable Endowments" on 21st March 1927. A scale of income and expenditure in proportion to the income from the investment in Savings Bank has also been sanctioned in 1919. The donor, his wife and ----- adopted son all having since died leaving no heirs, the institution is under Government management and orders have been issued in this office order No.R.Dis.122/30-31 dated 5rd December 1930 authorising the payment of interest on the endowment to the Melukmaildar. A bill for the interest due on the endowment from the date of its -- transfer to Charitable Endowments at 5% having been submitted by the Maildar, the Comptroller has passed the same at 4% as ordered in the Government Order referred to above with the observation that Government sanction is necessary for allowing 5% interest.

Mwz 229-30-3.

SIR,

With reference to your letter No.1558/Fin.229-30-2 dated 16th January 1931 calling for certain further information in the matter of grant of enhanced rate of interest on the endowment of Rs.4,000/- for the benefit of Sri Gopalakrishnadevaru temple at Krishnarajapet, I have the honor to forward herewith a copy of the scale of income and expenditure of the institution (vide flag 'W' enclosed in the file). It will be seen therefrom that the scale has been fixed on the basis of an income of Rs.220/- per year which will only be realised if the interest is earned at 5%. The expenditure including the reserve has been fixed at Rs.220/-. Though only 4% interest was allowed during the previous years, the scale of expenditure has been based upon the balance at the credit of the institution in the certain bank, to make up the difference. The present cash balance (on 17- -31) is only Rs.26-7-4.

As the endowment is reported to be invested in Government Deposits bearing 5% interest, the particulars could perhaps be called for to ascertain whether the usual favourable rate of 5% interest could be allowed on the expenditure-either the whole or a part thereof. In the circumstances, I request that the rate of interest on the endowment may kindly be enhanced to 5% as already recommended.

The connected records are herewith enclosed.

I have the honor to be,

Sir,

Your most obedient servant,
